Post Decision

Following the application deadline, your materials will be reviewed by faculty and the Director of Education Abroad.

You will be notified of the status of your application via email.

- **Accepted:** When you are nominated to study abroad, you will be given the program you were nominated in and asked to confirm your nomination. You will then be given post-decision steps to complete via Terra Dotta that will complete your nomination process.
- **Rejected:** Unfortunately we cannot guarantee all applicants a chance to study abroad as it is a very competitive program. For information regarding the reasons for rejection, you may contact our staff. You are encouraged to apply again in the future if you remain eligible to apply.
