JOHN CABOT
UNIVERSITY

An American university in the heart of Rome

John Cabot University is an American university in the historic center of Rome, Italy. JCU allows students to follow an American curriculum in the context of an inspiring international environment. With semester and summer study abroad opportunities, John Cabot University offers over 350 courses per semester and 130 courses in the summer, student clubs and athletics, internships, and travel opportunities.

URBAN CAMPUS

The University is located in the heart of the historic center of Rome, along the banks of the Tiber River in the Trastevere neighborhood, between the Vatican and the Colosseum. John Cabot's main academic buildings, the Guarini campus and the Tiber campus, are a five-minute walk from one another.

STUDENT BODY

John Cabot's international community of 1,300 students from the U.S., Italy, and nearly 70 other countries offers a diverse learning environment.

ORIENTATION

John Cabot's 5-day (Fall and Spring) or 3-day (Summer) orientation program provides a comprehensive and personal introduction to John Cabot University and life in Rome. Beginning with our airport pick-up service and continuing through the first month of classes, dedicated orientation staff and student leaders organize campus and city tours, conduct workshops on useful topics like safety, and introduce students to JCU policies and services.

ACADEMICS

With Rome as your classroom, John Cabot University provides unlimited opportunities to learn from and become immersed in the Eternal City. Our professors, international experts in their fields with advanced degrees from top institutions, get to know students individually through small class sizes. As an accredited American university offering classes in English, JCU allows you to earn credits abroad while staying on track for graduation.

HOUSING

Housing is guaranteed. Our Gianicolo Residence and Viale Trastevere Apartments are within walking distance of campus and offer 24/7 security. When our two main housing options are full, we also offer external apartments. All students in JCU housing have access to Resident Assistants, on-call staff, and an exciting residential life program.

STUDENT SERVICES

John Cabot University has an extensive support system, including immigration assistance, a Health and Wellbeing Office, medical and counseling services, 24/7 emergency assistance, and an emergency mass notification and communication system.

STUDENT LIFE

Make friends, engage with the local community, and pursue your interests by joining one of our student-run clubs, participating in competitive or recreational athletics,

or taking advantage of one of our community service opportunities. John Cabot University's Student Life office also organizes regular trips throughout Italy and activities in Rome, such as food tours or a night at the opera.

INTERNSHIPS

The Career Services Center is dedicated to helping John Cabot students prepare for the workforce. In addition to workshops and career advising, John Cabot University's relationship with over 475 leading multinational corporations, museums, media outlets, and international organizations provide internship opportunities to interested students each semester.

FINANCIAL AID AND SCHOLARSHIPS

We aim to make study abroad as affordable as possible. Apply for our study abroad scholarship and transfer your existing federal financial aid toward your semester in Rome.
